

# The Purpose Checkup

by Richard Leider

After a certain age, many of us accept the necessity of regular physical checkups. We're also generally willing to review our financial situation with some regularity.

So if money, medicine, and meaning are all essential to a purposeful life, we might be wise to take guidance from the financial and medical worlds and adopt the practice of a regular checkup on that third dimension to ensure that our spirit — our sense of purpose — remains healthy.

Please read each statement carefully and take a few moments to decide on a true response for yourself. Then write the number that most nearly reflects that response. The answers offer the following range of responses:

- |                         |                      |
|-------------------------|----------------------|
| 1. Definitely disagree. | 3. Somewhat agree.   |
| 2. Somewhat disagree.   | 4. Definitely agree. |
